

Volunteering with Fflamingo CIC

Thank you for your interest in volunteering for Fflamingo CIC.

Our Commitment to Volunteers

We recognise volunteers as an integral part of our organisation. Their contribution supports our mission and strategic aims and complements the role of paid staff. We aim to encourage and support volunteer involvement to ensure that volunteering benefits the organisation, it's clients and the volunteers themselves.

Appropriate steps will be taken to ensure that paid staff are clear about the role of volunteers and to foster good working relationships between paid staff and volunteers. Volunteers will not be used to replace staff.

We are committed to offering a flexible range of opportunities and to encouraging a diversity of people to volunteer with us, including those from under-represented groups such as youth, people with a disability, older people and people from ethnically diverse communities.

We recognise that there are costs associated with volunteer involvement and will seek to ensure adequate financial and staffing resources are available for the development and support of volunteering.

We recognise that people have a right to participate in the life of their communities through volunteering and can contribute in many ways. We recognise our responsibility to organise volunteering efficiently and sensitively so that the valuable gift of the volunteer's time is best used to the mutual advantage of all concerned.

As a new prospective volunteer, we want to thank you for choosing to volunteer with Fflamingo.
